

SAYAN SOM

Aspiring Software Engineer

☎ 6290181224 ✉ sayansom625@gmail.com 📍 kolkata

PROFESSIONAL SUMMARY

Motivated engineering student with a strong interest in **software development, computer science fundamentals, and emerging technologies like AI and Blockchain**. Actively building skills through academic projects, self-learning, and hands-on practice. Known for problem-solving mindset, curiosity, and the ability to quickly learn and adapt to new technologies. Seeking opportunities to grow as a developer and contribute to impactful technical projects.

WORK EXPERIENCES

student | Self-employed

Kolkata, West Bengal, India

Full time student

- Gained hands-on exposure to **programming, problem solving, and project-based learning**
- Worked on **academic and personal projects** involving web technologies and basic backend concepts
- Practiced **data structures, algorithms, and logical problem solving**
- Continuously learning modern development tools and best practices

Technologies / Skills Used : React, Node.js, Tailwind CSS

EDUCATIONS

Institute of Engineering & Management (IEM)

Jul 2023 - Present

Bachelor of Technology (B.Tech) – Electrical Engineering

Kolkata, India

CGPA : Pursuing

- Actively transitioning skills towards **Computer Science & Software Development**
- Coursework includes programming, engineering mathematics, and core technical subjects

PROJECTS

Webcam-Controlled Gesture Game

Oct 2025 - Nov 2025

Developer

Built an interactive **web-based game** that uses a user's webcam feed as the controller by integrating **machine learning directly in the browser**. The game recognizes webcam input and translates player movements (e.g., hand gestures) into in-game controls using TensorFlow.js and in-browser gesture detection

Technologies / Tools Used : Tensorflow.js , Github, JavaScript , HTML , CSS , Browser Webcam Api , MediaPipe

SKILLS

Programming Languages : C++, Java, JavaScript, TypeScript, Python

Frameworks & Libraries : React, ASP.NET, Express, Next.js

Tools & Platforms : GitHub, Docker

Databases : PostgreSQL, MySQL, MongoDB, Redis

Soft Skills : Problem Solving, Time Management, Critical Thinking, Teamwork

Languages : English
